CHICKENS, BEANS AND BIG *Dreams*

In Kenya and Tanzania, CWS is empowering people to learn, grow and thrive. Through the CROP Hunger Walk, you're helping provide the tools families need to support themselves and their communities.

CWS is committed to meeting immediate needs while also advocating for long-term change. We prepare communities for the future, working with them to adapt to a changing world and overcome challenges.

Your support brings access to clean water, nutritious food and life-changing resources. It helps protect children, responds to disasters, offers safe housing and creates sustainable solutions to combat poverty. Your support also helps provide educational opportunities for children and adults, builds local economies and empowers individuals to start their own businesses – truly helping them achieve their big dreams.

Through your steps, you're doing more than just providing chickens or teaching sustainable farming. You're fostering inclusivity, introducing new technologies to improve harvests and ensuring that every community member is supported.

Together, we're empowering individuals, strengthening communities and creating lasting change.
