

Student Volunteer Form

Students needed to join our movement to end hunger!

As a student, you can have a real impact on hunger. Join the <<Local Walk Name>> CROP Hunger Walk on <<date>> to take your first steps.

CROP Hunger Walks were the first charity walk and remain a grassroots effort symbolizing the daily journey that many must make for their basic needs. Hunger is everywhere - even in your own neighborhood. A quarter of all funds raised come back to your local community, and 75% supports the work of CWS around the world.

CROP Hunger Walks were founded over 75 years ago by faith groups at the end of WWII, to battle domestic and international food shortages. CWS has a strong network of support with secular and interfaith partners, including local food banks and globally through programs in 30 countries. CWS works to empower people around the world through gardens, training, clean water, and support to reach their potential.

Get Involved! You can reduce hunger and poverty through your advocacy for social justice and through your actions to educate and mobilize others to walk. Serving on the team can take as little as an hour or can grow depending on how much time you want to invest in this mission to end hunger!

Actions you can take:

- **Walk** - in solidarity with others, your physical activity shows you care. (2-3 hours)
- **Educate** - hunger is a local and global issue. Learn, then share with others. (as little as 1 hour)
- **Fundraise** - make a difference by asking for donations to provide food and water. (as little as 1 hour)
- **Volunteer** - recruit a team from your school (as little as 1 hour), serve on the planning team (4-6 hours), help on Walk Day (2-4 hours).
- **Create** - Use your talents in art, speaking, acting, music to create videos, memes, skits, etc. (2 hours)

CROP Hunger Walks can impact YOUR life!

- Connect to like-minded students and faculty
- Community service hours for school (all opportunities above can be expanded for more hours)
- Leadership, networking and learning opportunities
- Deepen your understanding of poverty in our world
- Great content for your college application/resume

For more information, visit [WALK URL] or contact your local CROP Hunger Walk committee at [EMAIL]

Volunteer Hour Documentation

Have a CROP Hunger Walk Committee member sign your school forms or provide verification of your service hours:

Student Name: _____ Hours earned: _____

CROP Team Member signature: _____ Date: _____

CERTIFICATE OF APPRECIATION TO:
