

CROP HUNGER WALK

ENDING HUNGER ONE STEP AT A TIME

PRAYER TO CELEBRATE THE 50TH ANNIVERSARY

God of Love -

You saw the pains of this world 50 years ago.

You put a fire in the hearts of this CROP Hunger Walk community to respond to that pain, to walk, to be in communion with the stranger.

Now, our eyes are once again open to the brokenness around us; the hunger, the hate, the inaction.

We recommit to healing.

We recommit to our neighbors who are hungry and thirsty.

We lift up Your mantle of peace, justice and love.

We will ready ourselves again to walk on a path illuminated by Your purpose:

To be aware of those still suffering from hunger and poverty.

To erase the inequality that diminishes Your divine light in all of us.

To purge the doubts that nothing will change.

To thoughtfully care for Your creation.

To be Your love

And to bring forth a day when no one will be hungry.

Amen.
