“It is God’s gift that all should eat and drink and take pleasure in all their toil”
— ECCLESIASTES 3:13 NRSV

FARMS, FAMILIES AND YOU...

a life-saving combination

Roniel loves his family's piggy bank even though it doesn't look - or sound - like your average one. For starters, it's loud. Really loud. And it comes with a...unique smell. You see, Roniel's piggy bank holds actual pigs. And just like their plastic counterparts, these pigs represent change!

Roniel's grandma, Ramona, invested in this change several years ago. She grew up seeing hunger hurt her community in the Dominican Republic. It's not a future she wanted for her children, her grandchildren...anyone. So she asked for one small pig.

CROP Hunger Walkers helped put that pig in Ramona's care. Now, she has dozens of healthy pigs - meaning food, income and nutrient-rich soil! With the money she's earned, she's even opened a grocery shop so her community has local access to affordable food.

Ramona is sharing her gifts with Roniel and her neighbors. She knows that ending hunger takes hard work, compassion and some investment. **And she knows that a healthier future for kids like Roniel only comes when someone steps up.**

Will you step up alongside her, Roniel and so many others who are ready for thoughtful, long-lasting solutions to hunger? Add your change to "piggy banks" around the world today!
