

Meet CROPwick

CROPwick

your Virtual CROP Hunger Walk Companion

Because of current events and modifications of local CROP Hunger Walks, we know many of our Walks will be happening “virtually.” We appreciate the commitment to helping our vulnerable neighbors around the block and around the world and hope this brings some fun to your modified CROP Hunger Walk!

Print and cut-out whichever version of CROPwick is your favorite, put him on a popsicle stick, straw...really however you'd like to display him, and take some photos of him with you as you walk your modified CROP Hunger Walk or Walks.

Use the hashtag [#VirtualCROPHungerWalk](#) & [#CROPwick](#) to connect with other Walkers walking with our new virtual companion! Be sure to also post your online fundraising page link as we continue to walk to end hunger (this time with CROPwick) one step at a time!

RAISING *animals*; GROWING *communities*.
