I’m walking to end hunger through CROP Hunger Walk, and you can help! Just $60 is enough to provide a pig to a family in the Dominican Republic. That’s not only food, but a potential source of income through breeding. Visit my fundraising page below, and make a contribution to fight hunger! [Insert fundraising link]

I’m walking to end hunger through CROP Hunger Walk, you can help! The average American spends over $100 a month on specialty coffee, but for $90 you can equip a farmer in the Dominican Republic with a resilient coffee crop. That’s stable income for a thriving livelihood. Visit my fundraising page below, and let’s end hunger together! [Insert fundraising link]

When you sponsor me in the CROP Hunger Walk, you’re also supporting our own community! 25% of funds raised stay right here to fight hunger at home. Will you help me out? Visit my fundraising link and make a real difference! [Insert fundraising link]

Just $20 can help support a thriving livelihood for a family fighting hunger in the Dominican Republic. That’s enough for 200 baby fish to be raised for healthy food, and even a source of income! So, step up and help me fight hunger through CROP Hunger Walk. Visit my fundraising page below and make a contribution. [Insert fundraising link]

I’m walking to end hunger, and I’ve set an ambitious goal to raise $950 through the CROP Hunger Walk. That’s enough money to provide seeds for 2 community nurseries in the Dominican Republic, providing food and a source of income for 20-30 families. Step up with me, and let’s end hunger together! Visit my fundraising page below and make a contribution. [Insert fundraising link]

I’m walking to end hunger through CROP Hunger Walk, and my team has set an ambitious goal of raising $2500! That’s enough to provide 25 beehives for families in the Dominican Republic to sell honey for income and support a thriving livelihood. Step up with me and let’s end hunger together! Visit my fundraising page below and make a contribution. [Insert fundraising link]
