We need YOU to set up a "Walk on the Web" team for your CROP Hunger Walk!

It's pretty easy to do — give it a try!

➔ Go to crophungerwalk.org and type the name of your walk in the search bar.

➔ Click on Join or Start a Team

TO *Join* A TEAM

    ➔ Click on "Find an Existing Team to Join". Type the name of your team to see if someone else has already started a team.

    ➔ If your team exists, click on the name of your team, and follow the prompts.

TO *Start* A TEAM

    ➔ Click on Join or Start a Team

    ➔ Select start your own team and click on Start Team. Choose a team name that includes your city/state so it can be differentiated from teams with similar names.

➔ Sign up using your social media account. (Facebook, Google, or Twitter)

➔ Enter your street address, a brief summary about why you walk and your birthdate. Accept the waiver/terms.

➔ You may add a registration for a family or friend using their first and last names. To set up their personal fundraising page, enter their email address and accept the terms.

➔ Click FINISH

Now that you have registered your team, it is time to invite others to join!

*If you registered online last year, you may use the same email and password.
If you forgot your password using the same email will prompt a password reset.
