Why Walk?

CROP Hunger Walks are interfaith events that build community while raising funds to end hunger in your own community AND also around the world. Everyone is welcome to join!

Your participation impacts individuals and families in more than 35 countries. In many developing nations, people can walk up to six miles a day to get food and water. One in nine people worldwide lack access to clean water and a healthy diet. We walk to be in solidarity, bring awareness to these issues and raise the funds for permanent change.

What is a CROP Hunger Walk?

- A community-led fundraising event to end hunger
- Global solidarity with the millions who walk miles every day in search of food and water
- An opportunity to support CWS development projects and disaster assistance globally
- Assistance for 1,900 local food banks and soup kitchens in the U.S.

From its birth in 1969, Church World Service sponsored CROP Hunger Walks have grown to include walkers of all ages, faiths and backgrounds in more than 1,000 communities throughout the U.S. The CROP Hunger Walk is America’s Hunger Walk.

What is the Impact?

Annually, CROP Hunger Walkers raise nearly $10 million to bring help and hope.

Support to U.S.-based hunger-fighting organizations
Water systems and increased access to safe drinking water
Tools and training to help families grow the food they need

What do Walkers say?

The CROP Hunger Walk is the ‘heart and sole’ of this community. Our walk demonstrates our community at its best.

Aaron Nelson
CEO of the Chamber of Commerce and Honorary Walk Chairperson, Chapel Hill, NC

CROP Hunger Walks are a healthful and meaningful service-learning opportunity; students gain a global awareness even as they raise important funds for local and global development.

Catherine Faughnan
SUNY Cortland Senior Walk intern, Cortland, NY

At our walk, you see a variety of ages walking from an infant to a 95-year-old. It is exciting to see the power of inclusion while we raise awareness and funding for local and world hunger issues.
