## Ada County CROP HUNGER WALK

October 16, 2022

Julia Davis Park

3 pm

3.4 Mile Route

## You are invited to walk with us to end hunger, one step at a time.

\*Churches are given Church World Service resource materials that promote the walk and educate their congregation about hunger.

\*Walkers find sponsors —friends, co-workers, family members, neighbors—to donate money online or donation envelopes.

\*Walkers enjoy the 3.4 mile route on the greenbelt as well as downtown Boise. We walk 3.4 miles because that is the distance many people in our world have to walk to access water. A one mile route is available for folks who are unable to do the longer walk.

\*CROP Hunger Walks are community based walk events held in cities and towns across the United States raising funds to support the global mission of Church World Service, a faith-based organization transforming communities around the globe through just and sustainable responses to hunger, poverty, displacement and disaster.

 \*25% of all funds generated from the event will be designated to the Idaho Foodbank and remain in Idaho to end hunger here.

***Please join us to ending hunger one step at a time.***
